Description Of Services

Our Tutors Come To You! A to Z In-Home tutoring specializes in one-on-one tutoring with local certified teachers and degreed professionals in the comfort and convenience of your home at times that are convenient to your family's busy schedule. We are careful to find the perfect tutor match for your child's unique needs and all students are pre-tested in order to tailor specific tutoring programs in the academic areas where he or she most needs help. Our results speak for themselves with the average student improving 9 months in math, 9 months in reading and spelling, a 79% improvement in grades and a 69% improvement in self-esteem. parents and students LOVE our tutors. Try us first!

Ace It! Tutoring

Point of Contact:	Andrea Di Sebastian or Angie Okuda		
Email Address (if applicable):	directorcs@hotmail.com		
Web Page (if applicable):			
Street Address 1:	6323 Glenway Avenue	City:	Cincinnati
Street Address 2:		State:	OH
Telephone:	(513) 389-4246	ZIP Code:	45211-6301
Technology Accessible?			
Areas Served:	Cincinnati, Clermont, Hamilton, and Pendleton County Schools		

Description Of Services

Parents should choose Ace It! Tutoring because the delivery model is small group instruction. This reinforces students' communication skills as they explain their thinking and answers to the class. Information pertaining to the initial and final assessments of students will be shared with schools, teachers, parents, and students in the form of oral and written reports. Regarding success rates, please refer to the recently released Cincinnati, Ohio School District Report Card and the August 16 Cincinnati Public Schools News release which comments on the 'continuous improvement' rating and gains in high school graduation rates.

Brainfuse Online Instruction (Trustforte)			
Point of Contact:	Alex Sztuden		
Email Address (if applicable):	requests@brainfuse.com		
Web Page (if applicable):	www.brainfuse.com		
Street Address 1:	271 Madison Avenue	City:	New York
Street Address 2:		State:	NY
Telephone:	(866) 272-4638 (toll free)	ZIP Code:	10016
Technology Accessible?	YES		
Areas Served:	All Kentucky School Districts		
Description Of Services			
<p>Brainfuse is the nation's leading provider of one-on-one tutoring to schools, offering online tutoring in Math, Reading, and Writing (grades 3-12). With us, students receive individual attention from carefully selected tutors through our kid-friendly online classroom -- all that is required is a computer with internet access. Studies confirm that students prefer Brainfuse to traditional group tutoring because we provide the best tutor-student ratio and thus greater opportunities to ask questions, participate, and receive help in critical areas. Also, we offer complete freedom when scheduling (we're available anytime, day or night, 7 days a week).</p>

Street Address 2:		State:	MD
Telephone:	(800) 627-4276 ext. 8378 or (800) 246-2154 (bilingual)	ZIP Code:	21202
Technology Accessible?	YES		
Areas Served:	Serves 34 districts. Contact provider for more information.		
Description Of Services			
<p>Catapult Online is America's leading provider of live, 1-to-1 tutoring over the internet. All sessions take place from the convenience and security of your home, on a free computer provided by catapult Online. And upon successful program completion, our students get to keep the computer! Catapult Online offers programs in Reading and Math to students in grades 3-12. US state certified teachers with at least two years of experience teach all tutoring sessions. Sessions are available seven days a week, and parents can schedule sessions around their family's busy schedule. Catapult Online has successfully taught more than 4,000 students over the internet. Our students often achieve average growth of 1-2 full grade levels during their programs.</p>			
Club Z!			
Point of Contact:	Todd Walden		
Email Address (if applicable):	ses@clubztutoring.com

Description Of Services	The Collaborative for Teaching and Learning (CTL) is a non-profit educational development firm in Louisville, Kentucky with more than a dozen years of experience in applying research-based practices to help teachers meet the needs of diverse learners. In 2005, CTL Launched the Millennial Academy at its River Road location, offering student tutoring and advanced academic learning. Supplemental Services: K-12 in reading/language arts and mathematics. We have satellite locations at Canaan and Southside Community Centers and Cable Missionary Baptist Church in Jefferson County.		

CompassLearning Odyssey			
Point of Contact:	Donna Vaughn		
Email Address (if applicable):	bids@compasslearning.com		
Web Page (if applicable):	www.compasslearning.com		
Street Address 1:	7878 N. 16th Street		
Street Address 2:	Suite 100		
Telephone:	(800) 422-4339 (toll free)	Zip Code:	85020
Technology Accessible?	YES		
Areas Served: All Kentucky School Districts			
Description of Services	CompassLearning Odyssey is an Internet-delivered assessment and curriculum program. CompassLearning partners with onsite tutoring organizations to provide an SES program that blends online curriculum and assessment with face-to-face tutoring. The program will be available at the student's school. CompassLearning, a company with over 35 years of experience providing student achievement solutions, provides solid reading and math curriculum with testing that is aligned to the Kentucky Core Standards. The program follows a pre-test, learning path, post-test format and creates an individual learning path for each student. Students' time is focused on mastering skills that they have not yet mastered.

Sylvan - Louisville, KY			
Point of Contact:	Sarah Craft		
Email Address (if applicable):	scrafty@bellsouth.net		
Web Page (if applicable):			
Street Address 1:	7400 New LaGrange Road	City:	Louisville
Street Address 2:	Suite 103	State:	KY
Telephone:	(502) 423-0340	ZIP Code:	40222
Technology Accessible?			
Areas Served:	Jefferson, Bullitt, Spencer, Washington, and Nelson County Schools		
Description Of Services	<p>Sylvan Learning Center's strategy for closing the achievement gap is based on students taking a Sylvan Skills Assessment, used to identify your students skill strengths and weaknesses and developing a personalized lesson plan based on those needs. Our student-teacher ratio of 3 students for every teacher uses the strength of personalized lesson plans and individual attention to improve the reading or math skills of your child.</p>		
Union County High School			
Point of Contact:	Steve Carter		
Email Address (if applicable):	scarter@union.k12.ky.us		
Web Page (if applicable):			
Street Address 1:	510 S. Mart Street	City:	Morganfield
Street Address 2:		State:	KY
Telephone:	(270) 389-1694	ZIP Code:	42437
Technology Accessible?			
Areas Served:	Union County Schools		
Description Of Services	<p>The services provided by Union County High School as a supplemental service provider will include opportunities to gain assistance and growth in the areas of reading skills and mathematics. It is the goal of Union County High School to provide a service that is personal in delivery and convenient to acquire for both the students and parents. The majority of the staff will know the child's regular teacher and in most cases, either know the child or parent personally. This personal connection is an asset in the delivery and effectiveness of instruction.</p>

Description Of Services			
<p>Project Serve is service of West Kentucky Educational Cooperative which has successfully worked locally for 29 years with 28 Western Kentucky schools and students. We have the reputation of bringing service to rural communities. This professional tutoring service is backed by professional educators and provided by trained tutors who will be supervised closely for the benefit of your child. We do believe all children can learn and we are here to help that happen. We believe that students are our primary concern and ultimate customers and that people working together produce the best results.</p>
